Don't get left **behind.**

40M

As of early 2023, over **40 million Americans** have coverage under the ACA, marking the highest total on record.

8.9%

The **uninsured rate** in the U.S. fell to 8.9% for the third quarter of 2021, down from 10.3% for the last quarter of 2020.

“We created Lyve Health to help bridge the gap between our communities and affordable care.”

Healthcare just got easier.

Compare quotes from hundreds of companies and pick the plan that works for you.

Getting covered has **never been easier.**

STEP ONE

Select Your State

Start by selecting your state so we can find the best providers and plan options where you live.

STEP TWO

Provide Basic Information

By providing essential information such as household size, income, age, and address, we can further refine your results to only display the best quotes.

STEP THREE

Compare Quotes

We will provide numerous quotes from a variety of providers that you can compare and choose from. We will often prioritize quotes with little to no monthly cost to you.

STEP FOUR

Enroll & Relax!

Select the plan the is best for you. Many applicants will have plans with little to no monthly payments.

Here's what we promise to you.

Commitment

Our promise isn't just to provide insurance but to stand by our community in times of need, and surround them with comprehensive support.

Innovation

We continually seek ways to simplify processes, improve our offerings, and enhance user experience.

Transparency

No hidden catches, no confusing jargon. We maintain honesty in all our dealings.

Empathy

We put ourselves in the shoes of those we serve, striving to offer an experience and solutions that we'd seek for ourselves and our families.

Compare health plans from major providers **in one place.**

Lyve Health is the trustworthy choice for individuals and families seeking health insurance due to our extensive partnerships with numerous nationally recognized insurers, offering a diverse array of options with flexible cost structures.

Lyve Health provides a user-friendly, mobile-optimized platform that ensures easy navigation and access to resources, even in areas with limited internet connectivity, guaranteeing comprehensive access for all communities.
